Sir PhoenixxSk8rRIMukBah you guys are soooo behind the BrainBot2.7 patch came out 2 minutes ago with spinal cord, imagery, smell, tatse adn a whole laod of new plugins.

Tsk... Tsk... Tsk.....

Anyways Crimson may delete it only if she feels it necessary its not like its reallly a topic all about a aimbot :rolleyes:

maybe it is.....

You must have missed the new English2.5 and Grammar2.4 plugins. Don't worry, they come standard with the new patch, BrainBot 2.8.

i here romers that 2.5 though 2.9 are suseptbal to the Brain Blaster worm...

but i feel sorry for you, i just preodered 2 3.0 which come with a duel plug in so i get twice umm.. EVERY THING! asl comes with a splended build in thersarus
