I have yet to see it happen

ans so playercount is dropping for years now...and it will die, its only a question of time.

im playing for years now...and hey, if u compare the situation/gamefun NOW with, e.g. 2005/2006, its a joke now.

our question should be, how to make "rens last days" as good as possible.

Renegade isn't the only game that would benefit from TT. Think APB, Reborn, BFD and all other mods out there. Plenty of people still play those mods.
