Well some last minute things came up on our end: four members couldn't come, two are AFK and three are off the radar right now. The minimum is five players, it's 15 minutes before the game and we only have a couple people around.

I know Jelly's a big community and wouldn't want to play a smaller game as well. So it looks like our clan will have to end here.

It was great playing against you all, NE had a blast with SoQ, Koss, and Shadow-Team, and I'm glad that NE, a 6 and a half year old small group of Renegade oldies, was able to participate in this tournament and get to the semi-finals.

So Jelly advances and NE gets 4th place.

Good games everyone and may the best community win!
