Di3HardNL wrote on Sat, 28 November 2009 17:51 I don't need to have anymore arguments, this dimitry guy is just trying to annoy me by posting critisizing messages in al of my topics.

By the way if you think my work is shit go make something better yourself then. I thinkthat your opinion about someone's work would only be valid if you have something to show yourself to.

I have never seen dover or dimitry releasing anything, so fuck off

It's my opinion and you cannot do anything about it. I'm free to express myself. Learn to live with it.
