But seriously, there are three ways of looking at it:

1. You drink underage because you think it makes you look cool. This means you're a total faggot.
2. You nonchalantly avoid drinking while under age.
3. You advertise you don't drink and will not drink because of the fact you are underage and it's illegal. This also makes you a faggot.

You have to strive for #2. Or else your a faggot.

Sounds like you were already determined he was a "faggot"... I would say 3 depends on how extreme the "advertising" is. In this case it is not much at all.
