Jelly will show up with 15 people, CW.cc with 5. Jelly and CW.cc will play 10v5 and Jelly will win with 100 points difference after hard fought games. CW.cc will blame the loss on point bug. Jelly will win 200 \$ and use it to put 3 more servers on the first page. The end of the year coming along, the TT patch beta is not released and the players count on Renegade keeps going down. Happy new year 2010!
