DimitryK wrote on Tue, 01 December 2009 15:47At my school there are a lot of people who think WoW is more important then listening to our teacher...

I know a guy who plays about 7-14 hours of WoW daily on average. He had to repeat the 12th grade (both semesters), and now he's skipped a month of university to play WoW. He says the lectures don't help him - I can bet that is not the reason why he doesn't go.
