Griever92Infinintthat's why i put the word "duh"
i've said it before and i'll say it again, he is an IDIOT

I'm pretty sure we didn't need to point that out for the rest of the people watching this topic though.
what if they were a noob that didn't know better yet he might think he's not an IDIOT and would
unexpectedly get attacked by his idiotcy and DIE! i could happen, and i need to go to bed
