Edit: Why do you say late 80s early 90s style? They are clearly from this past decade. No other era in music would tolerate such shitty vocals.

Edit again: I just noticed you refered to yourself as a "metal head" in your post. This speaks volumes.

i looked up some details (i meant in the sound not the voice)the first cd came out in like 2007

It figures. The late 80s to early 90s sound you're refering to is something more like this.

Hmmm...This sounds a bit like "Hammerfall" too.
