I guess that's why C&C4 is such a drastic move. But, for once, C&C4 actually looks decent.

Agreed, but you lost me at the last part. A game about capturing nodes, with no base building and no resource gathering, is not my idea of a good game.

The no base building parts definitely sucks, yeah. I hope they have a mode where you can build bases.

Otherwise, I'll have to get a better computer, get C&C4, and jump on the C&C4 modding boat and fix that up.
