shippo wrote on Thu, 17 December 2009 20:00I have yahoo's instant messenger or do you mean email?

both are email is shippo75@yahoo.com same for IM is shippo75

what might be good is if you could make a you-tube vidoe of it and post it also here for others who have this problem too

<http://www.renegadehelp.net/index.php?act=tutorials&id=286#291>

i will be adding you soon have alot of stuff i have to do.
