My cousin gave me a whole bag of CD's (games) years ago. It included Tiberian Dawn Gold, and I instantly got hooked. I later learned of Renegade from the Westwood FTP demo folder, of all places.

Dover wrote on Sun, 20 December 2009 18:42Red Alert 1. No C&C game so far has been able to top it.

Heck yeah.  
Best part - it's freeware now so anyone can download it to a PC or laptop and play it easy.
