ok mates..

TnG

(Tellys next Generation Videos)

well... i decided to make newer, faster vids. i wanna change the style a bit, but the "Telly-Style" should be unmistakable.

i already made a video prototype. i know i used to much transitions in that vid, but what should i change also? (i wont hear things like: change the music. trance and metal stays.)

bring some constructive points pls.

<http://www.youtube.com/watch?v=yHIJB2rrnLQ> << Dear Gamegods...

greetz telly ^^

(btw: i`ll add the new videos in my old videolist-topic)
