Goztow wrote on Wed, 23 December 2009 02:46 Personally, I'd like to know why you got banned before redirecting you to one or another server.

Ran over a sbh(with an orca)and got banned for sbh detecting hack thing. I've decided theres no point in fighting it. after of course messaging the mods a couple of times.

So far st0rm works but ill keep looking for others
