EDIT: it only happens to 3yr olds + if he is continuing to be a turd or a douche bag that would work ill try it
it didn't work.... he just screamed more... but it did get rid of him... if i keep doing it will it scar him for life?

Spanking him would be much more effective. He'd eventually shut up, and it isn't illegal. I'm sure if you slap him across the face enough, you could get charged with assault. Although, you're not his parent, so I don't know if spanking him as much as you want is ok, just make sure his parents are ok with it.
