EDIT: it only happens to 3yr olds + if he is continuing to be a turd or a douche bag
that would work ill try it
it didn't work.... he just screamed more... but it did get rid of
him... if i keep doing it will it scar him for life?
or send him to the timeout room

...if that dont work call supernanny
that would probably keep me from getting arrested for child abuse.....
And it actually worked...
