The assistance is a by-product of our ignorance and it is now too late to go back.  
Not when people share that attitude.

Quote:That is not to say that we shouldn't do what we can to fix out mistakes, but we don't have to go crazy worrying about something that is irreversible and will inevitably happen.  
WELL THAT COMET IS UNDOUBTEDLY GONNA KILL US. BUT SINCE WE CANT PREVENT IT ANYWAY, NOBODY PANIC. JUST GO ON AS YOU ALWAYS DID.

only difference, we made the comet and we could still prevent it.
