why are you even talking, loki? why would you get so angry about which points system is used in a league you aren't even allowed to play in?

i know you're furious at me, maybe it's because i gave you fair treatment after you lied to me hoping i'd defend you. ask yourself one question: who's actually done you wrong? if the answer's "nobody" (and clue: it is) then just calm down and go do something else
