Pro-pointfix people want a logical, bug-free game

Anti-pointfix people want an easier way to make money because they see easy as fun

that's why.

Also, this topic kinda serves no purpose- it's been shown numerous times that it's a bug.

Or, they like the way the game's been for over 7 years, hence the reason they still play it. I don't see that as a reason to talk down to people, even if you do.
