andr3w282 wrote on Mon, 28 December 2009 20:36 Not sure if they do international, but a Prof at school was using this for components and what not

<http://www.dealextreme.com/>

Well they do have a cheap DVI extension cord which i could snap in halve to modify it

And they ship worldwide for free they say ^^

EDIT: Cant seem to find chips. Only replacements for printers etc

UPDATE-EDIT: i found this site for the chip. Anyone heard of it?? I never had;
