that is said to ask for someones help to tell you what your skins look like then tell them to stfu.

take it from me reborn don't like me anymore because of what i did now i can't take that back and i probably lost a nice person that has helped me out a lot on Renegade, and probably a lot more people now wont help me because of that.

and to me i like your harvs needs more stuff less rims, that make it gay.

the light looks like shit

and the pistol looks like shit
