Episode 1 didn't bring too many new things to the table, but Episode 2 was fairly awesome.

Haven't actually played HL1 yet though, sadly. I hope to sometime.

you should wait for black mesa source then

That looks kick ass does it follow the same game play?

should, it's a remake.

Even with the new graphics i highly doubt it will be as good as the original

I haven't played the original, and the only reason I haven't is because I know that this will be released with the same game play.
