Shark wrote on Thu, 07 January 2010 22:56hey how u do that in your post? what I said has green background in box.

what I said was yes those people that buy Humvees an Armored Personell Carriers an shoot vehs whole game an maybe get points

ps oh am from Trinidad
Hit the "quote" button.

Also, REAL men use APC's to fight off tank rushes, pointsfix or not.
