ie.

"I smoked them." = "I shot them."

Or what about as an observation in causing smoke to rise when tires spin very fast on the ground; most commonly seen in racing.

ie

"I smoked them." = "I passed by them very quickly."

Even if its trolling, he's right so:

Neither of these too (in games both apply though )

1. i keep killing only in games. real is just sick/madness
2. im not allowed to drive yet

If you're not allowed to drive yet, your opinion of cigarettes or drugs doesn't count for much.

watch one day his friends will start smoking weed and he will get dragged into it. peer pressure ftw!

No way man. If there is 1 thing i think is really stupid, is doing things 'because everyone else does it'

1. My friends have the same opinion about drugs, sigarets etc as i do
  2. im only a few month younger and they may already drive. (18 im 17.5 >.> )
