That has to be the lamest excuse not to use them I've ever heard.

this is not an excuse. the reason why dont use them is such networks seem lame to me. theyre all useless.

Ever hear the story of The Fox and the Grapes?

no.

Or, in image form:

You are the fox, Facebook is the grapes, the apple is whatever garbage you use instead, letters or whatever. I don't know.

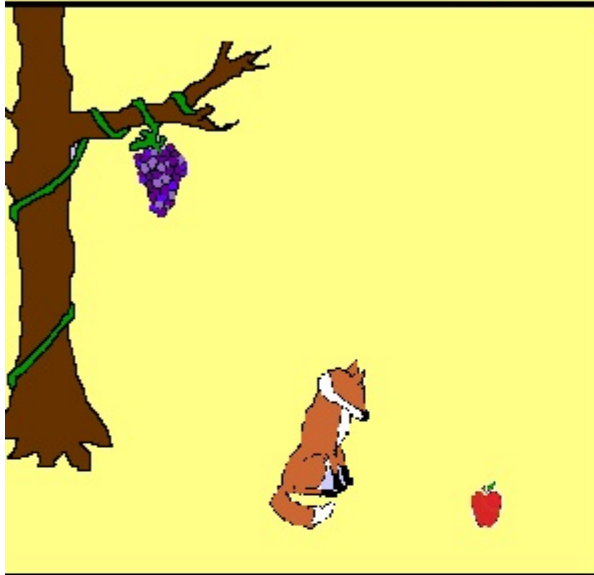

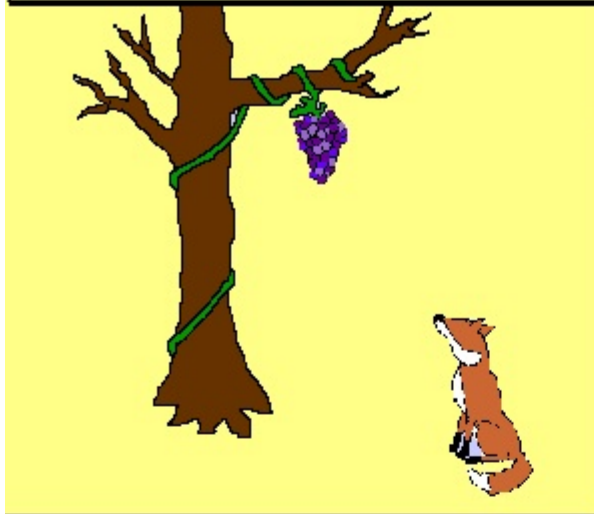

EaZiE wrote on Fri, 15 January 2010 12:22Facebook has been the cause of so many arguments between my gf and me. talking to my ex's and stuff. I ended up deleting my account just to avoid the bullshit

That's a hell of a relationship you and your girlfriend have.
