I noticed that I'm unable to keep up with posting Renegadecommunity.com news. I just can't find the time and motivation to do so any longer.

If someone would be interested in taking over this task, then feel free to PM me or reply in here. Ideally, I guess it would be a team of members doing this. But I doubt I'll find a single person, let alone a team of people to maintain this.

Oh well... I can try .
