19:38What are the Best earphones to get?

Zeratul wrote on Thu, 18 February 2010 19:38 Also under \$15 would be nice.

You can have one or the other, not both. Are you looking for good ones, or cheap ones? if you're looking under \$15, it really doesn't matter what you get.

under \$15 is just a nice add on. if it is not possible under \$15 thats fine. oh and earphones... i have also heard them be called earbuds, whatever you wish to call them, is what i meant. is a picture required or is this enough information.
