havoc9826 wrote on Sat, 06 March 2010 10:07 There are 10 members(s), 0 invisible members and 152 guest(s) visiting this board.

What about the times I've seen like 300-400 guests on at once? Are those just crawlers as well, or is that indicative of a botnet attack on the forum?  
at the time there were 3 members 1 invisible member (which was me cause i was screwin around with settings) and somewhere around 360 guests
