bunka wrote on Wed, 17 March 2010 21:37lol 99 points to add up! Imfao!...& u think i mad? lllllol

azazel, k i agree maybe 1 sniper necessary per team

Seeing how when i'm bored i snipe the whole game, and get mvp a good half of the time (with or w/o pointsfix), yes, it does add up. You must suck if you can't get points with a sniper honestly..
