I have never been to a Sonic, What A Burger, Chick a filla, In and Out and so on. In fact, I can just say i've been to the following:

Wendys (Once, when I was young. I had a chocolate flurry thing and it was a family trip.)

Taco Bell (Twice. I would regret it hours later when you'd find me on the toilet.)

Mc Donalds and Burger King are more popular around where I live. Taco Bell and especially Wendys are quite rare.

I'd have to say Burger King is the best, and Mc Donalds the worst. But usually I cook my own food, at home, instead of going out.

PS - You forgot Harvey's.

PPS - I accidentally voted Burger King. Count that vote as a vote for Mc Donalds.
