GEORGE ZIMMER wrote on Fri, 02 April 2010 21:39 When someone isn't really doing anything wrong and you're punishing them just cuz you're pissed off, then that's when it's abuse.

So if you smack a kid over the head with baseball bat because he did something wrong, thats not abuse.

But if you happen to feel like some batting practice but ran out of balls; and use the childs head as one, it is?

Ah, so this must mean abuse lies within the reason for hitting the child, not the excessive force used to discipline them.

I see, i see.
