hiya Dippy, i think i found your Roo. Lets ride across the desert, il be on my koala.

Im an aussie to, so did we just get insulted? Renforums is going to turn into Cronulla in a minute!

anyways, im interested in the developments, and wat each ssde has to say. I mush prefer more detailed posts like dippys and shaitans that actually explain things

and gozy brings up a good point about starting another community, theres plenty of good ones out there, all competeing for the tiny player base remaining. Just seems like its not very helpful either way
