FerhagoPlease stop, be over, blow off, break, break off, cease, chuck, close, cold turkey, conclude, cool it, cut out, cut short, desist, discontinue, draw up, drop, end, finish, halt, hold, kill, kiss off, knock off, leave off, pack in, pause, peter out, pull up, quit, quit cold, refrain, ring down, run down, scrub, shut down, sign off, stall, stand, stay, tarry, terminate, wind up, and wrap this up

Screw spiral, tighten, turn, twine, wind you.

Let's keep this going, continue, drag on, draw out, endure, extend, keep going, lengthen, persist, prolong, protract, spin out, stretch out!
