reborn wrote on Tue, 13 April 2010 10:51 If it carries on, there will be no value left in these forums.

It's sad to see it happen, and even worse are people actively contributing to the demise, despite knowing their actions are a contributing factor.

I disagree.

A post is a post is a post. Regardless of what it says it still contributes to a discussion.

As long as people keep posting, the forum won't die.
