Yes, lets much rather take 7 pages of religious arguing, with a good 300 words in each post. I'd MUCH rather read that than a person laughing in the faces of retards every know and then.
/sarcasm.

You do realize that the more retarded topics and posts that are created (NOT trolling ones), the more that these sort of people exist, right? The more dumb arguments and retarded fighting, as well as the "know it all" dumb asses, the more people who either want to liven up the topic, or laugh at the stupidity of it.

LET US TROLL.
