Those 5 year old topic bumps are done by... trolls most of the time. Some of time are actually funny, unlike the roofgnomes one.

Nah, they're usually done by random idiots (see: gman/the executor/MSwindows/the\_elite\_officer/whatever he goes by now, archerman, etc) that browse the forums that can hardly be called "trolls".

And no, Dover never changed his nick. He just changed his avatar, but... that's about it. I never recall him leaving. You might have him confused with Cheesesoda or Ryu or Sadukar or something.

Also, roofgnomes is the best thing to ever happen to Renegade. No, wait, make that gaming as a whole.
