bakerrrr wrote on Sun, 18 April 2010 02:17Ok hold up. EA is only horrible with the games that they develop themselves, there are many excellent games that EA simply publishes like Dead Space, The (old) Sims, Battlefield series, Mass Effect and Left 4 Dead.

I will admit the battlefield series are good games, but the fact still remains that when they try to fix one problem they make 10 more problems in the process.
