GEORGE ZIMMER wrote on Sun, 18 April 2010 13:26 Besides, plenty of people like Zelda, and Zelda is quite anime-y. Same with Sonic.

I don't see why it's necessarily bad to have a game being anime-ish in style. You're just being an uptight faggot for automatically hating anything remotely Japanese in style.

You really do feel sorry for Sonic. If any of you (and you probably have) saw the things obsessed and obese fans did to him then they may have just stomped over your childhood.
