Toggle Spoiler Seriously, when Kate dies? I was genuinely moved. On on the second time through when Roman dies? Just as touching. I doubt any other GTA will top 4 in terms of endings. I'll give you that one but... to me playing gta 4 after making all possible choices in missions i just cant do it(thought running around doing the usual shit is fun)... also THE MUSIC FUCKING SUCKS (GTA 4 Chat radio FTW)

edit: also after playing SA and VC and GTA4 and GTA3 for several hours it seems SA and VC are the only in that list that have the random drivers that chase you down if you hit the cars (while inside their own car)
