nikki6ixx wrote on Mon, 19 April 2010 20:56 I'm gonna install my VC, but I was wondering if anyone knew of any good graphics mods that make the game look a bit better.

One I used to know of had enough bloom to blind Scrin, and that wasn't awesome at all. the most there is... is i think just some HD vehs go to This Site i only chose a few... id suggest having this for VC and if you plan to or currently have SA installed this is for SA... I dont feel like linking HD vehs or anything... but i just gave the best site i know of and the best tools
