NHJ BVSk8rRIMuk Just being run over by a stealth tank in general is soooo anoying...-Sk8rRIMuk

I agree. No matter how careful I watch my surroundings, I always get run over, then my body slides 5 metres back to were the stealth tank is... :rolleyes: I hate lag...

However, when I myself try to run ppl over, they always seem to notice me or escape due to lag pushing my tank against walls

I see that aswell damm they always see me...

Anyway I play to destroy buildings not run over people...

It is obvious what the most annoying thing ever on Renegade is and that is LAG because it can trigger many other annoyances.
