<http://www.renegadexserver.com>

We are proud to announce our new website RenegadeXServer.com which will focus primarily on the game C&C Renegade-X. It also has some elements of the [MP] Renegade-X Clan integrated.

Some images still need updating but everything should work just fine.

Thanks to alexrirak for putting up the top 5 downloads, news fetching and the serverinfo at the top right.

Have fun with the new site

Greetz zunnie
