it's something a friend of mine created

their goal is to help transplants

due to the shortage of people that wish to donate their organs after death there are still hundreds of people dieing every day

people that had a chance of living if only people knew about it

sadly the media is blind for this sort of stuff se we try anything to get some more publicity for the organisation

a dutch tv program has organised something that allows one organisation to win a tv spot and i was hoping many of you guys could go to the site and vote

it's a dutch site but easily accessible

<http://www.beterinbeeld.be/>

at the bottem of the page you can click: "bekijk de finalisten en breng je stem uit"

you will be redirected to another page where you can vote for different organisations

i would highly appreciate it if you would vote on the vzw re-born to be alive

i would even more appreciate it if you would try to spread the word about organ donations

thanks in advance
