i really don't think civilised criticism is "going too far" in response to an ideology that's trying to take over the world.

I guess it's ok as long as you see it as civilized.

why would it not be ok? is it not civilised?

Quote:clearly you believe i'm to ignorant to think of leaving something out so people don't expect it.

sorry, you've lost me.

Quote:So i'll go ahead and leave you to Christian bashing.

christianity bashing, if you don't mind.

Quote:Have fun but remember you are also attempting to FORCE someone to believe their religion is wrong.

What an AMAZINGLY stupid accusation.
