dead718 wrote on Wed, 12 May 2010 16:14TT is a myth. It will never be released.

i'm actually pretty sure (+ i hope) it will be released. afaik there isnt that much left to do for a release (sk's loader?).

keep up the good work and protect renegade from dying! (just in case for the flameboys: i actually mean that, kthnxbye.)

regards,
