Hey, The mp5 isn't part of the map!!!!!! its something i downloaded a long time ago.

The blood was the best i can do, If you can better, go for it.

Yeah ill add to the model so it doesn't look like funny PTs .

also im having proplems with the animation of the fans, the animation works in w3d and then doesn't work in Leveledit.

and the animation name was put in as what it was called.

Any help?
