Cheaters are not even close to n00bs. They are much worse then that n00bs on steroids

Says another cheater...

ex cheater... i stopped the steroids

As far as Ren goes... but I think I remember you saying that you still cheat on other online games.

Why would i think such a thing?

Because you constantly refer to cheaters as if you weren't busted wide yourself in these very forums. It's a matter of who you're trying to convince, yourself or the other people on this forum?
