StealthEye wrote on Tue, 18 May 2010 11:47: There is no organized Renegade test team as far as I am aware and I do not think TT currently has any people able to set it up either. The engine is the same; it should not matter a lot whether it is tested on Renegade, APB or Reborn. I too would have preferred a Renegade team, but it's simply not feasible.

How is it not feasible? Not trying to be a sarcastic dick or something for once, I'm actually curious.
