FACEBUTT wrote on Thu, 20 May 2010 04:19 I've my keys, got 3 from blizzard. Its quite easy to get into beta

yah? could i possibly have one?!?! lol

Dover: how are you multi-quoting? and i have checked everywhere..do you think its worth pre-ordering now? when i called gamestop they said they had sold all of their game keys and had limited pre-orders left..i know that best buy has them and so does toys-r-us. I looked at that forum and its just a link to amazon.
