ie. It doesn't look as hard as it actually is.

Then I reject your analogy. StarCraft is every bit as hard as it looks.

probably harder i would say..especially sc2 its quicker and more like modern day rts such as supreme commander, or at least thats what comes to mind.

RMCool13 wrote on Fri, 21 May 2010 08:19well i got a beta Key, just didn't have the time to use it yet.

Can i have it?!

You probably shouldn't be in too big of a hurry. They just released patch 13 yesterday which switches over from TCP to UDP, and they have a few issues to resolve before you can play with any kind of stability. Pre order a copy from someplace, get a key by tomorrow, and enjoy.
